Plasma							
MSZ-FB25	1.5 - 5.5	3.2	2.87	0.62	4.63	\$17.78	\$2450.00
MSZ-FB35	1.5 - 6.0	4.0	3.59	0.85	4.21	\$24.62	\$2600.00
MSZ-FB50	0.9 - 7.8	6.0	5.39	1.56	3.46	\$44.87	\$3100.00
Hypercore							
MSZ-FB35	1.3 - 6.5	4.0	4.0	0.9	4.44	\$24.62	\$3000.00
MSZ-FB50	0.9 - 8.2	6.0	6.0	1.64	3.66	\$44.87	\$3500.00
Floor Mount							
MFZ-KA25	0.9 - 5.1	3.4	3.05	0.83	4.07	\$22.71	\$3050.00
MFZ-KA35	0.9 - 6.2	4.0	3.59	1.10	3.64	\$30.10	\$3200.00
MFZ-KA50	0.9 - 7.9	6.0	5.39	1.86	3.23	\$50.89	\$3500.00

Note: These prices include all necessary work for a back to back installation including refrigeration pipework, drainage and electrical for installations in the Invercargill area. An electrical Certificate of Compliance will be provided at the completion of the job. Warranty is 5 years on parts & labour.

Not included:-

- Additional pipework over 5 metres
- condensate pump if gravity drain not possible
- travel outside the Invercargill area (\$1.00 per km after Invercargill boundary)
- power to outdoor unit
- external concrete pad
- supply of 7 day wired timer – (great energy saving option at a cost of \$500 ex gst)

Plumbing & Building Services are locally owned and operated with over 100 years experience in plumbing, electrical, gasfitting, drainlaying, heating & ventilation, renewable energy, fire protection and water treatment.

We are a one-stop shop servicing what we sell with experienced craftsmen and registered tradesmen.

Our Energy Efficient Showroom at 19 Douglas Street offers a range of different systems for all needs and provides an opportunity to view the products up and running so you can try before you buy. Plus we offer cost (& time) effective package deals.

Plumbers & Building Services are committed to limiting energy costs, consumption & pollutants in Southland & Central Otago. Our products, solutions & services for the building, industrial & residential markets will ensure your comfort while reducing the energy cost and CO2 emission of our customers
